simply clever:

It is not difficult to make life easier. you only need someone who knows the right answers. When it comes to everyday enjoyment at home or in the office.

The solution is simply called **montana:**.

The brand offers modern design and clever ideas that simply make everyday life better do. montana: is the functional and attractive everyday companion. As an intelligent helper for uncomplicated enjoyment, the brand is the perfect solution for every day.

- ideas for every day
- practical and clever details
- best price performance

smart performance focused on every detail.

With its new packaging concept, montana: underlines its clear brand image as an everyday companion with clever solutions. The colour creates a clear distinction and enhances the brand’s product recognition at POS. The large images, showing the products in use, enhance and display the products vividly and authentically.

The descriptive product information presents the product range’s advantages and promotes follow-on sales. The features and benefits, when using the products, are highlighted and enhanced with short product descriptions.

smart performance at the pos.

The distinctive packaging design is attractive, and warrants a shelf presentation that matches. It is easy to differentiate between the series and the highlights are emphasized. montana: shows its own high potential as an independent brand.
