# FRANCUSKI LEŽAJEVI

## Double Beds

Oaza mira svima potrebna  
An oasis of peace that  
everyone needs

Kolekcija francuskih ležajevi Forma Ideale 2021. inspirisana je modernim dizajnom, koji se odlikuje u spolu elegancije i udobnosti. Čini je 6 modela, od kojih su tri modela već zauzela značajno mesto na tržištu, a nova tri modela premijerno su predstavljena u kolekciji za 2021. godinu i odlikuje ih unapređen dizajn kako po pitanju estetike, tako i po pitanju komfora.

Pri izboru francuskog ležaja izuzetno je važno da budu prilagođeni različitim zahtevima kupaca, pre svega u domenu funkcionalnosti, tj. da su dostupni u više dimenzija širine, kao što je slučaj sa, tržištu već poznatim, modelom francuskog ležaja FALCO, zastupljenom u dve dimenzije širine: francuski ležaj FALCO, širine 160 cm, i francuski ležaj FALCO 180, širine 180 cm, a koji je upravo zbog izmenjenih dimenzija brzo pronašao svoje mesto na tržištu. Od već zastupljenih modela predstavljen je, takođe već poznat model francuskog ležaja PEGAZ, koji se ističe izrazitom funkcionalnošću kojoj doprinosi ugradni dušek.

U okviru kolekcije tapaciranog nameštaja Forma Ideale za 2021. godinu predstavljena su i tri nova modela francuskih ležajeva: MERI, BAZEL i LOZANA. Francuski ležaj MERI predstavlja funkcionalno i kvalitetno rešenje za opremanje ambijenta spavaće sobe. Pored toga što je moderno dizajniran, dostupan u dva dezena, bež i tamno sivom, njegov izuzetan benefit predstavlja ugradni dušek, kao i prostrana kutija za odlaganje posteljine pozicionirana ispod dušeka koji se podiže po principu makaza sa gasnim amortizerima.

U okviru nove kolekcije francuskih ležajeva izdvajaju se još dva atraktivna modela – LOZANA i BAZEL. Francuski ležaj LOZANA dostupan je u četiri dezena štofa, sa tri moguće varijacije u izboru stopica – sive, crne ili hromirane, dok je francuski ležaj BAZEL dostupan je u tri dezena štofa, takođe sa tri moguće varijacije u izboru stopica – sive, crne ili hromirane. U skladu sa dizajnom i funkcionalnim osobinama, oba modela će se sasvim sigurno isticati u savremenim ambijentima spavačih soba.

The Forma Ideale collection of double beds for 2021 is inspired by modern design, which is characterized by a combination of elegance and comfort. It consists of 6 models, of which three models have already taken a significant place on the market, and the new 3 models were introduced in the collection for 2021 and are characterized by improved design both in terms of aesthetics and comfort.

When choosing a double bed, it is extremely important that they are adapted to different customer requirements, primarily in the field of functionality, i.e. that they are available in several width dimensions, as is the case with the already known FALCO double bed model, presented in two width dimensions: double bed FALCO, width 160 cm, and double bed FALCO 180, width 180 cm, which, precisely because of the changed dimensions, quickly found its place on the market. Among already known models, the model of the double bed PEGAZ was presented, which stands out with its distinctive functionality contributed by the built-in mattress.

As part of the Forma Ideale upholstered furniture collection for 2021, three new models of double beds were presented: MERI, BAZEL, and LOZANA. Double bed MERI is a functional and quality solution for furnishing the ambience of the bedroom. In addition to being contemporary designed, it is available in two designs, beige and dark grey. Its exceptional benefit is a built-in mattress, as well as a spacious storage bedding box thanks to scissor mechanism.

Within the new collection of double beds, two more attractive models stand out – LOZANA and BAZEL. The double bed LOZANA is available in four fabric patterns, with three possible variations in the choice of legs – grey, black, or chrome, while the double bed BAZEL is available in three fabric patterns, also with three possible variations in the choice of legs – grey, black or chrome. Under the design and functional features, both models will certainly stand out in the modern ambience of the bedrooms.
