EN Look | Mirrors

From functional objects, mirrors framed with our rods become decorative elements in their own right. A selected range of mirrors can be matched to any style, so that each choice becomes a complement that reflects the personality of the room.

DE Look | Spiegel

Die mit unseren Stäben umrahmten Spiegel werden von funktionalen Objekten zu eigenständigen dekorativen Elementen. Ein ausgewähltes Sortiment an Spiegeln kann auf jeden Stil abgestimmt werden, so dass jede Wahl zu einer Ergänzung wird, die die Persönlichkeit des Raumes widerspiegelt.

FR Look | Miroirs

D'objets fonctionnels, les miroirs encadrés avec nos tringles deviennent des éléments décoratifs à part entière. Une gamme sélectionnée de miroirs peut être assortie à tout style, de sorte que chaque choix devient un complément qui reflète la personnalité de la pièce.

ES Look | Espejos

De objetos funcionales, los espejos enmarcados con nuestras varillas se convierten en elementos decorativos por derecho propio. Una selecta gama de espejos puede combinarse con cualquier estilo, de modo que cada elección se convierte en un complemento que refleja la personalidad de la habitación.

Da oggetti funzionali, gli specchi incorniciati con le nostre aste diventano a tutti gli effetti elementi decor. Una selezionata gamma di specchiere, da abbinare ad ogni stile, in modo da rendere ogni scelta un complemento capace di riflettere la personalità dell'ambiente.
