lepota uklapanja

Stvaranje brenda MITA nameštaja počinje pričom o vrednom zanatliji, lokalnom vizionaru, kome je obraz bio na prvom mestu, a vešte ruke i alat, da od deset prstiju tokom 35 godina, stvori kompaniju sa više od 200 zaposlenih.

I tada, a i sada, najvažnije je znati za koga stvarate. To radimo posvećeno, kvalitetno i s ljubavlju – drugi izbor za nas ne postoji. I nekad i sad – MITA u svoje komade nameštaja unosi deo sebe.
